

PATCH — CLEAN RETICLE CENTRE

The 7G patch chassis retained; sword and taiaha removed; centre replaced with the clean-board reticle. Exploration only.

9B OBJECTIVE PATCH

The clean objective reticle at the heart of the patch: sight ticks crossing the ring on a single red centre — the mission remains the centre. No weapons, no letters; one idea.

alternative — focus-point centre

tonal — subdued field wear

single ink — embroidery

size ladder

- Chassis unchanged from 7G: black disc, Moawhango ring, arc wordmark and tagline.
- Centre reticle drawn from the clean brandmark exploration, option 3 — Objective (focus point offered as alternative).
- Tagline wording (“Act Decisive” vs “Act decisively”) remains to be confirmed.
- All marks remain subject to sponsor endorsement and Defence heraldry check.
