

Run Sheet

Thursday 24 September 2026

01 TODAY'S INTENDED OUTPUTS

What the day is for.

1 AITC submission foundation ☐

Understand the required format, sketch the submission structure, and identify the material or decisions still needed.

2 Admin loose ends cleared ☐

Deal with priority forms, updates, emails and follow-ups.

3 Call Ollie ☐

Call Ollie at Moore Construction.

02 PROGRAMME

The day in blocks. Tick each line as it closes.

8:15 - 9:00	Drive to work	
9:00 - 9:15	Catch up with staff	Check priorities and pick up anything requiring action today. ☐
9:15 - 10:00	Admin and calls	Sign INE forms; update the lines of operation and effort matrix; ask Jono or call the clothing store about the outstanding issue; clear priority emails; quick call to Ollie at Moore Construction. ☐
10:00 - 10:30	Smoko	
10:30 - 12:00	Work bout 1: Combat Mindset and AITC	Review the AITC submission format and requirements. Set out a rough structure for the Combat Mindset submission and note any gaps or decisions needed to develop it. ☐
12:00 - 12:30	Lunch	
12:30 - 1:00	Admin	Follow up on the morning's calls and clear short tasks. ☐
1:00 - 2:30	Work bout 2: to be confirmed	Choose the focus based on the morning's AITC work and any staff priorities. ☐
2:30 - 3:00	Admin	Close out remaining loose ends and record follow-ups. ☐
3:00 - 4:30	Work bout 3: to be confirmed	Use for the next substantive priority. ☐
4:30 - 5:00	Commute home	

03 END-OF-DAY CHECK

Done means all of this is true.

CHECK

You have an AITC submission outline, a clear list of what it still needs, an outcome from the call with Ollie, and any unfinished admin captured for follow-up.

04 FOLLOW-UPS

Unfinished admin and anything to carry to tomorrow.
