

CM STENCIL ROUNDEL — EVOLUTIONS

Developing concept 06. Exploration only; no mark is endorsed. NZ Army wordmark remains the sole official logo.

6A RING STENCIL

*The baseline: ringed roundel, stencil bar behind the monogram.
Formal, badge-like.*

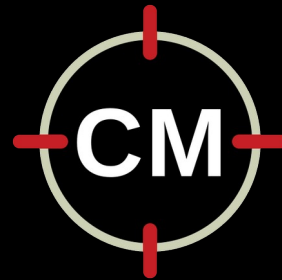

6B CUT STENCIL

*Sliced letterforms carry the stencil idea without the bar; red underline
as the only accent.*

6C CHEVRON ROUNDEL

*Rank-style chevron beneath the monogram — soldierly, ties to the
pressure chevrons of concept 03.*

6D RETICLE ROUNDEL

*Sight ticks cross the ring — merges the stencil with concept 01 and
the Way Forward hero motif.*

6E EMBROIDERED PATCH

*Olive field with stitched border and microtype — ready for uniform
patch or course badge.*

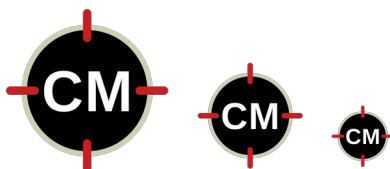

COMBAT MINDSET

6F FLAT WORDSTACK

*Container-free lockup for document covers, slide masters and
letterheads.*
