

PATCH — CLEAN RETICLE CENTRE

The 7G patch chassis retained; sword and taiaha removed; centre replaced with the clean-board reticle. Exploration only.

9A FOCUS POINT PATCH

The clean focus-point reticle at the heart of the patch: a broken ring gathering on a single red centre — focus held under pressure. No weapons, no letters; one idea.

alternative — objective centre

tonal — subdued field wear

single ink — embroidery

size ladder

- Chassis unchanged from 7G: black disc, Moawhango ring, arc wordmark and tagline.
- Centre reticle drawn from the clean brandmark exploration (focus point; objective offered as alternative).
- Tagline wording (“Act Decisive” vs “Act decisively”) remains to be confirmed.
- All marks remain subject to sponsor endorsement and Defence heraldry check.
