

SWORD AND TAIAHA — CLEAN MARKS

The crossed arms rendered in the clean brandmark language: dark green on white, red reserved for the tauri.
Exploration only.

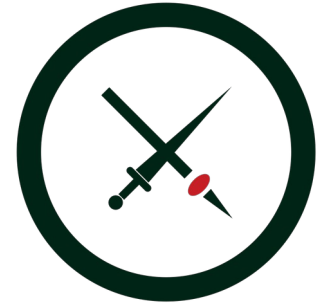

8A FOCUS POINT

The broken ring holds the arms loosely — focus gathering around the profession of arms.

8B OBJECTIVE

Sight ticks cross the ring; the crossed arms as the objective. Strongest reticle read.

8C ENDURING CENTRE

A heavy unbroken ring: pressure surrounds, the arms remain. Simplest and boldest.

OUR PROMISE: REMAIN EFFECTIVE IN COMBAT. ACT DECISIVELY.

- The NZ Army wordmark remains the sole official logo; these marks are exploration only.
- Weapons are simplified redrawings from the Badge of the New Zealand Army — Defence heraldry approval and cultural consultation (taiaha) required before adoption.
- This option's tagline reads "Act decisively" (per the clean exploration board) — final wording still to be confirmed.
